- We have had very good turn-outs for work parties held during season.
- Tom will be renting a Bobcat for the next work party to work on the roads
- Work that is left to done throughout the year: pour concrete, raise container, fencing. There will large expenses to do these repairs.
- With the new 2-D range in its permanent location we will need to re-adjust the targets on the field range to make it safer for both ranges.
- Repair the damage caused during the dredging of the retention pond.
